## ABOUT ME

I'm a Communication and Language student at the University of Ibadan with a passion for marketing, advertising, and graphics design. As a UTME and secondary school teacher, I infuse creativity into teaching. Proficient in tools like Corel Draw, Adobe Photoshop, Adobe Illustrator, and Canva, I have a strong inclination towards visual communication. Aspiring to be a creative business and sales professional, I'm dedicated to honing my skills and achieving personal goals.

## WORK EXPERIENCE

○ Dec, 2023 - Present

### **Freelance Graphics Designer**

During my time as a freelance graphics designer, I engaged in various creative projects, bringing my skills to a diverse range of clients. I collaborated with clients to understand their vision and requirements, translating concepts into visually appealing designs.

○ 2022- 2023

### Harmony Tutorials Center **Educational Consultant**

- Offered constructive feedback on student assignments, helping them refine their writing skills and comprehension.
- Provided one-on-one tutoring sessions for struggling students, leading to increased understanding and improved grades.

○ 2022 - 2023

### Corner Stone Educational Consult **Educational Consultant**

I provided valuable assistance to students preparing for UTME, SSCE, and post-UTME examinations in English and diction during my tenure at Corner Stone Tutorial. By offering targeted support and guidance, I contributed to the academic success of candidates, helping them improve their skills in English and diction to excel in their examinations.
