SUMMARY

Soon-to-be graduate with a Bsc. in mass communication, specialized in voice acting, creative writing with one year of experience working as a content writer. A very creative person with the ability to make meaning out of everything I see, a short story writer and a skilled communicator. Fluent in English language and computer literate, video editing skills, a critical thinker with the ability to multitask, time conscious with the ability to do much within lesser time. Being a leader in over five academic groups, I possess a great leadership skill, great human relations skill with the ability to hold the interest and attention of people for long.

I am ready to fully utilize my skills and training and willing to spread my wings around Public relations and Advertising. Being an active listener with keen eyes, I am ready to learn more, grow more and connect with like minds while making significant contributions to the academy.
